

SUBJECT INDEX

A major discussion of a topic in an essay is indicated by a boldface page number. Mention of an individual in an essay often includes reference to one or more of that person's published works. Therefore, readers doing name searches should also consult the Cited Author Index.

- 1961–1982 most-cited articles **175, 218, 270, 306, 326**
- 1982 Nobel prize
