Dear Josh:

I am enclosing a Draft of a letter which I am considering sending to our ASCA subscribers. Do you believe such a letter would be offensive? May I have your ~~reaction~~ and comments?

I'm afraid it may have a negative effect, dropping ASCA to users:

① gimmicky

② idea that ASCA is really worth only \$25! The price is very reasonable now.

Better not to offer any reward but ask help on basis that more customers will mean better service for everybody
